CAMP OVERVIEW

Are you ready for some badminton this summer? Badminton camp is a fun and great way to introduce badminton to your kids. Badminton is great in promoting good health, sportsmanship, team building, confidence, focus, and peer socialization skills. Our goal is to nurture each and every player with the skills they need to succeed, both on and off the court. The camp will offer a fun and instruction-packed one week session designed to keep badminton players of all levels of experience active during the summer break. Players will be divided by age and ability.

Coaching emphasis will be placed on learning or reviewing scoring rules, foot work, agility, strokes and essential fundamentals of badminton. This camp will prepare students for their school's competitive badminton teams. Participants should bring their own racquets.
