### About Coach Jenna Gozali

I started playing badminton at the age of 5 and instantly fell in love with the sport. After getting my first champion trophy at 7 years old, I have decided to commit to the career of badminton. I left my family and home city for full-time training at 12 years old. In 2010, I was selected to be trained in the Indonesian national team and competed in international level tournaments for my country. After years of intense training with the best players and best coaches in the world, I have the experience and ability to understand the struggles of my students and be able to assist them to improve.
