About Coach Kowi Chandra

I developed a love and passion for badminton at the age of 7. Because of the popularity of the sport in my home country Indonesia, I recognized that in order to overcome the fierce competition, I must be ready to undergo strenuous training. In 1999 – 2003 all my hard work eventually paid off, for in just a few years, I was able to win 7 National Tournaments, ranked #1 in the country in 2003. After intense and rigorous preparation, I was selected to train with the Indonesian national team, which is rated among the best in the world. I spent several years training with the best players and the best coaches in national team, undergoing intense training and conditioning. Continue...visit link below:
